

Romy Crawford - HB 5192

From: "Wayne Groth" <wayne@byegone.com>
To: "Romy Crawford" <rcrawford@house.mi.gov>
Date: 1/25/2006 4:00:10 PM
Subject: HB 5192

Representative Hummel: The Great Lakes Shooting Sports Association would like to thank you for your efforts in drafting legislation making it easier to allow mentored or accompanied young hunters to participate in Michigan's firearm deer, bear & elk hunts. Many other states have enacted or are considering similar bills that allow younger people to explore the tradition of hunting while accompanied by an experienced hunter. We believe Michigan should also provide better opportunities for its families to pass on this rich tradition.
